Location of requested Investigation - Please define geographic boundaries as clearly as possible (e.g. 400, 500, and 600 block of X Street, NE):

---

---

---

Conditions Necessitating Investigation – Please provide a detailed description of the problems observed in the Investigation Area:

---

---

---

Please identify the time of the day when the traffic problems appear to be the worst (such as AM peak, PM peak, afternoon, evening or night).

---

---

Please describe any of the following characteristics of your neighborhood: heavy use by pedestrians, bicyclists, or other more vulnerable users; substandard streets (lack of sidewalks, narrow streets, right curves, limited sight distance, etc.) and pedestrian generating facilities (parks, elderly housing, shopping areas, etc.)

---

---

---

Please describe if there are any schools, hospitals, places of worship, recreational centers, hotels, sports arenas or historical monuments in the vicinity of the location.

---

---

---

Please describe if the traffic problems mainly occur during holidays (such as Christmas, Thanksgiving, New Year, Jewish Holidays etc.)

## Department of Transportation

Please describe what you think is may be causing the traffic problems. For example is it local residents or the cut through traffic? Is it cars or delivery trucks etc.?

---

---

Do traffic concerns create safety issues for pedestrians and bicyclists in your neighborhood? If yes, please describe how.

---

---

---

Are there any existing traffic calming measures within the Investigation area you have defined (e.g. speed humps, rumble strips, median, curb extensions)? If yes, then please describe if they effective.

---

---

---

If implemented, how would you feel about having Traffic Safety measures (median? Islands, speed humps, corner bulb-outs, etc.) being placed in front of your home?

---

---

---

Are there any Traffic Safety treatments that would not be acceptable to the petitioners?

---

---

Have you previously contacted District Department of Transportation for help in addressing your traffic problems? If yes, please indicate which departments have been contacted.

Is the area of concern an active construction zone? If so, do you know the project name or can you provide a description of the project?

---

---

Please provide us with any additional comments you feel would be helpful.

---

---

---

Does the area of concern include any Metro bus stops or affect other transit access?
