

CLEAN RIVERS IMPERVIOUS AREA CHARGE (CRIAC) RESIDENTIAL RELIEF PROGRAM

The Clean Rivers Impervious Area Charge (CRIAC) Residential Relief Program provides relief for income-eligible DC Water customers.

The CRIAC Residential Relief Program consists of three levels of relief:

CAP (Customer Assistance Program) provides eligible DC Water customers a discount on the first 400 cubic feet (3,000 gallons) of water and sewer services used each month. The annual discount is approximately \$760. Eligible households will receive an additional fifty percent (50%) reduction in the monthly CRIAC and a Water Service Replacement Fee waiver.

CAP 2 (Customer Assistance Program II) provides eligible DC Water customers a discount on the first 300 cubic feet (2,250 gallons) of water and sewer services used each month (with the exception of PILOT and ROW fees) and 50% reduction in the monthly CRIAC. The annual discount is approximately \$520.

CAP 3 (Customer Assistance Program III) provides eligible DC Water customers with a discount of 75% off of the monthly CRIAC. The average annual discount is approximately \$210.
